

## **DERRICK (40)**

### **INT. KITCHEN – DAY**

Derrick, 40, is standing in the kitchen talking to Lisa who is annoyed with his presence.

#### **DERRICK**

I'm showing up now. Doesn't that count?

#### **LISA**

Showing up late doesn't erase what happened.

#### **DERRICK**

I wasn't ready then.

#### **LISA**

And I paid for that.

They lock eyes.

#### **DERRICK**

I'm still their father.

#### **LISA**

I never said you weren't. I said you don't get to rewrite history.
