

GENE (40)

INT. CLINIC HALLWAY – DAY

Gene, 40, is standing in the clinic hallway talking to Shaye, as his daughter Halle goes ahead of him.

GENE

She doesn't like when I hover.

SHAYE

Kids pretend they don't need it.
They always do.

Gene nods.

GENE

You're good with her.

SHAYE

I had practice.

A beat between them.
