

INT. SCHOOL LIBRARY - LATER

Later, as teachers mingle after the meeting, Daniel passes by Lisa.

DANIEL
(pleasant)
Ms. Monroe, right?

LISA
Yes. Lisa Monroe.

DANIEL
Good to meet you. I'm sure I'll be asking you for some guidance. It's always the teachers who really know how things run. Principal Morris said you were one of is best.

He smiles. Lisa blushes faintly, brushing a strand of hair behind her ear.

LISA
That was nice of him to say. I do what I can, Mr. Carter, to give our students a fighting chance in this world. Education is the key.

DANIEL
You are so right, and you can just call me Daniel.
