

**INT. TAMMY'S OFFICE – DAY**

A stylish, modern office. Mood boards, framed press clippings, a vision board that reads: *BUILD IT YOUR WAY.*

TAMMY (32), confident, fashionable, restless energy, stands near her desk scrolling on her phone.

MONA (25), efficient, observant, laptop open, sits across from her.

MONA

Okay, so—local morning show confirmed. Radio spot is tentative. Podcast wants a longer sit-down about your “journey.”

TAMMY

They always want the journey. Nobody wants the invoice.

MONA

(smiles)

They're offering cross-promotion.

TAMMY

That's cute. Did they say numbers?

MONA

Followers, yes. Budget... no.

Tammy finally looks up.

TAMMY

Then it's not a yes. It's a conversation.

She walks to her desk and starts sorting through folders.

MONA

What about the panel? Women in Business. Downtown. Standing ovation crowd.

TAMMY

Who else is on it?

MONA

Two influencers. One life coach. And a woman who turned her divorce into a brand.
